

EVERBLUE — ENERGY PROGRAMS

Pre-Apprenticeship QC Technician Shadowing Program (NC HOMES & HEAR)

FORM 3 — MEDIA / PHOTO RELEASE

Used for program documentation and promotion. Trainees may decline without affecting participation. [DRAFT — for review by legal counsel before use]

From time to time, Everblue and its program partners may photograph or record trainees during shadowing activities (never inside occupied areas of a home without the homeowner's separate consent) for use in program reports, workforce development documentation, websites, social media, and promotional materials.

Please check ONE:

- ☐ I GRANT Everblue and its program partners permission to use photographs, video, and audio recordings of me, and my name and trainee status, for the purposes described above, without compensation.
- ☐ I DECLINE. Do not use identifiable photographs or recordings of me. I understand this does not affect my participation in the Program.

This release remains in effect for the duration of the Program and thereafter for materials already produced, unless revoked in writing to the Program Coordinator (revocation applies prospectively only).
